

SPIRITUAL CARE SPECIALIST

*Care
Compassion
Commitment*

The Mental Health Outpatient Program requires a highly organized team player who will join our interprofessional team to assist us in carrying out the mission of St. Joseph's Care Group. The Spiritual Care Specialist works as a part of an interprofessional team to assess and treat the clients in the context of spiritual and religious needs. Services include individual and group therapy, with a focus on addressing bereavement and loss. This role requires a demonstrated appreciation of client-centred care including the importance of accessibility, accountability, evidence based practices, and evaluation.

Requirements and Qualifications:

- Masters of Divinity or relevant graduate degree
- Registered Certified Counselling Specialist with the Canadian Association for Spiritual Care (Applicants who have successfully completed two advanced units and are in the process of obtaining Specialist Certification will be considered)
- Registered or eligible for registration in a relevant college (ie. College of Psychotherapy)
- Ability to work in a multi-faith context with diverse populations
- Training in marital and/or family counselling
- Excellent individual and group counselling skills
- Experience in a health care setting and knowledge of mental health and addictions issues
- Demonstrated skills working as an effective team member on an interprofessional team, excellent leadership and communication skills, and skills in reasoning, problem solving, decision making, flexibility, time management, and organization
- Demonstrated initiative, good judgment, and excellent interpersonal, communication and skills collaboration skills
- Good computer skills
- Demonstrated regular attendance at work
